Dear Friends,

In an attempt to help simplify the confusing and often time-consuming task of party planning, we at New Moon have put together some menu selections of our all-time favorite dishes for your pleasure. Our Chef and I have carefully designed these menus for those many celebrations and business events that require special attention. On behalf of our staff and management team, we are eager serve your needs.

Thank you for helping us to be listed in the prestigious Zagat Survey Guide every year since 1999 and while our family of restaurants continues to grow... the focus on your special event remains our commitment.

Menu prices do not include sales tax or gratuity.
