Dear Friends,

In an attempt to help simplify the confusing and often time-consuming task of party planning, we at New Moon have put together some menu selections of our all-time favorite dishes for your pleasure. Our Chef and I have carefully designed these menus for those many celebrations and business events that require special attention. On behalf of our staff and management team, we are eager serve your needs.

Thank you for helping us to be listed in the prestigious Zagat Survey Guide every year since 1999 and while our family of restaurants continues to grow... the focus on your special event remains our commitment.

Select & Complete Menus

The following select menus have been designed by our Chef so that the proper balance of tastes and textures is achieved.

The dishes in this section are prepared in the traditional "family style" manner, whereby sharing is encouraged. Menus must be ordered at a minimum ten persons. Portions can be increased to accommodate larger groups in increments of five (i.e. 15, 20, 25...)

Upon request, we will gladly include disposable serving spoons, plates, napkins, forks, chopsticks, fortune cookies and dipping sauces.

Full service catering with servers can be arranged for your event. Our catering manager will gladly work with you to personalize any occasion you may be celebrating, including birthdays, anniversaries, showers, going away parties, Christenings, company luncheons, or receptions of any type.

Menu prices do not include sales tax or gratuity.
