A NOTE FROM OWNERSHIP, MANAGEMENT, AND STAFF

Many changes have come to the THAI PALMS RESTAURANT over the past year and we would like to take a moment to thank all of those who stuck with us, and all of those who found us for the first time. From the ownership side we have tried to keep THAI PALMS the same restaurant you all loved so much while enhancing what we could to make the dining experience more enjoyable. We still have much to do and ask for your continued patience. From the management side we wanted to bring you a delicious meal at a truly competitive price, while the staff hoped their service, smiles and attention made you feel extra special and well taken care of. In all, no restaurant is perfect, and while we will always strive to give the best of everything, there are still things we will need to work on. We hope you will continue to stay with us and make THAI PALMS the best it can be.

Thank you!
